Board meetings held on the 4<sup>th</sup> Monday of the month at 7pm in the Village Board Room

## FROM THE PRESIDENT'S DESK

It seems a little harder to get this letter started this year, not because there is not a lot to write about, but because on November 18<sup>th</sup>, I had my left knee replaced. So, I'm sitting in pain trying to get this started! I would like to thank my family and all those that took care and catered to me. I know I'm not a good patient so extra kudos for putting up with me and taking care of me.

The committee chairs have done a good job of covering their particular committees. What I would like to say again is that it amazes me how all of these committees work separate, but together for the good of the Village of Athens. Seems each year we lose a little funding in some form or another so we have less money to do what needs to be done. Yet your board finds a way to get done what needs to be done. I don't think a lot of people realize what our budget entails. We have roads to repair, rebuild, & maintain so we rank these each year as a part of a 5 year plan. We also have vehicles to replace and repair which we also have a plan and review it on a yearly basis. We have to maintain our capital & property. This includes all of our buildings, parks and other property. We also have our employees to consider each year. With all of this and more, we try to do a good job with maintaining our tax rate close to where it is. Hopefully with proper planning and monitoring and doing what needs to be done we can continue this course. The people on the board are there for one reason and one reason only – for the betterment of Athens. There is no one agenda, everyone works together for our Village. These board members are your neighbors, friends, acquaintances, and sometimes relation, but all are here to serve the community. We are always looking for more people willing to serve, so let us know if you are interested! The board is always interested in the opinions of the Village residents, so please if you have a concern or comment –or whatever- please contact one of the Board Members.

As always, I don't want to forget to commend our employees. There has never been a better group of people who are willing to do more – go above and beyond – all for the good of our Village. Like Arby's "we have the meats", we have the best employees anywhere.

I would also like to thank our many volunteers. Thank you to Eugene Denk for taking care of the logging and Ken Writz for constantly monitoring and caring for our shooting range. There are many, many more who help us out -from caring for our flowers, to putting up decorations and even just picking up trash on the ground. I can't mention everyone, but just know that when you do what you do, it is noticed and appreciated. We could not have this fantastic Village without you.

I would like to acknowledge all the decorations that make our village what it is- the best and prettiest Village in the world.

Remember the "reason for the season"- slow down – enjoy family and friends – enjoy all the lights and decorations. Take a deep breath- we are all neighbors and friends. We may have a different or opposing view, but that doesn't change the fact that we are here because we love Athens and are neighbors and friends.

As always, I am your public servant, so if you have any concerns – good or bad – I am happy to hear from you.

Chuck Kornack, Village President

## PARKS & PUBLIC WELFARE

Unlike the last few years, the Parks & Public Welfare Committee had a slower year for projects in 2019. The committee continues to work on grants for the parks and shooting range. Recently, the Village was awarded \$22,132 to add paved walkways to the shooting lanes at the range. Thank you to Chief Stencil for his work on that grant.

The members of the Athens Area Trail Association continue to help upgrade Erbach and Athens Park and with tree planting, trail maintenance and other updates to the parks and trail system. Thank you to our village employees

and the Trail Association members for all their work on the trails, bridges and other park improvements. They have committed a lot of donated time to these areas.

Thank you to Nick Peter for planting and maintaining the flowers around the bandstand and to Jenny Lipinski and her crew for decorating for the holidays.

Matt Witucki, Committee Chairman

**FINANCE & PERSONNEL**

After last year's replacement of several employees, we had a quiet hiring year as the Village staffing remained consistent. Mark Behringer did return this past summer to continue mowing lawn and we welcomed a new part-time officer, Shawn Bauer, this summer as well.

The Board recently approved the 2020 budget. The Village tax rate will go from \$6.81 to \$6.86 per thousand dollars of assessed values. This is an increase of .7%.

You will however notice a much larger jump in your overall taxes. Marathon County increased their levy by 17 cents, North Central Technical College increased by 8 cents and Athens School District levy increased by \$1.81.

Jonathon Haines, Committee Chairman  
Dwight Lenhard & Chris Perkins, Committee Members

**WATER & SEWER COMMITTEE**

The Village Board recently approved a 5% sewer rate increase as well as 3% water rate increase. Both increases were at the recommendation of the Village auditor. To help you understand the need for the rate increases, here is some information regarding the water and sewer departments:

Current Sewer revenue:	\$233,000
Current Sewer Expenses:	
Long Term Debt:	\$105,000
Plant Electricity costs:	\$21,000
Operating Supplies:	\$17,600
Property/Liability Insurance:	\$7,700
Replacement Fund Pmt:	\$15,900
Labor/Benefits:	\$50,000
Office Supplies:	\$2,000
Professional Services:	\$3,500

This leaves less than \$10,000 for any unexpected repairs or any needed equipment purchases.

Current Water Revenue:	\$239,000
Current Water Expenses:	
Long Term Debt:	\$68,000
Electricity:	\$11,000
Operating Supplies:	\$14,500
Office Supplies:	\$2,000
Property/Liability Insurance	\$7,700
Property Taxes:	\$50,824
Repairs to Breaks:	\$3,000
Labor/Benefits:	\$49,600
Professional Services:	\$5,000

This only leaves approx. \$27,000 for unexpected repairs and needed equipment. Due to PSC mandates, we will also have to be painting the water tower (est. \$50,000) and performing other costly updates in the near future as well.

The Board is hoping that implementing smaller increases will help to avoid any major increases in the future.

Chris Perkins, Committee Chairman  
Steve Brewster & Matt Witucki, Committee Members

**FIRE & POLICE COMMITTEE**

Things are running well on the Police and Fire Committee. Many thanks to Ron Lavicka for his years of service as Fire Chief. His dedication, integrity and willingness to do anything for the community will be hard to match. Brian Lavicka was elected Fire Chief by his peers and will undoubtedly provide the same level of service to his community. Thank you both Ron and Brian!

With winter coming early, it is important to remember the winter parking rules. No parking on village streets from 2am to 7am. Chief Stencil has been monitoring the first couple of weeks and will be taking action when necessary. Lets make the job of plowing the roads easier for our public works employees.

The police department will be conducting interviews in December to add to our group of part time police officers. Chief Stencil does a great job of orchestrating coverage for the village when it comes to public safety. In this respect, no news is good news!

2020 will be a busy year with training of new and current police staff. A camera system will be purchased allowing chief to perform interviews in Athens without having to travel to Wausau. The plan for this system is that it will also be the foundation for some video surveillance cameras around the village. More to come on this.

Please feel free to contact me with any questions or concerns moving forward. It is a pleasure serving my community.

**STREET COMMITTEE**

The 2019 street improvement budget was \$75,000 and was to be used on the street most needed. In the spring, Mueller Street west of Hwy 97 developed some bad potholes. We dugout a couple of bad areas and realized that the street was going to need a total reconstruction. The cost of this reconstruction was more than our budget allowed, so it was delayed a year. We have applied for two sources of funding (one is 90% State funded and the other is 50% funded). If either of these grants are received, the project would be for the 3 blocks to the West Village Limits Road.

The committee reviewed other potential streets projects that fit into the budget. It was decided to repair E. Degner Street from the bridge east. The project included pulverizing, shaping, paving, replacing 4 culverts and ditching. The total cost of the project was \$62,000. 3 big trees in the right of way by the cemetery were also removed to help correct water flow issues to allow water to flow into ditches. The cost to remove the trees and grind the stumps was \$4,450 and was partially funded by \$2000 of leftover tree grant funds. Village workers helped reduce the cost of the project by completing the needed shouldering and removing the curb and gutter and sidewalk by the bridge. When the weather allows next spring, black dirt will be brought in some locations.

## DECEMBER 2019

The remaining 2019 street budget funds were used to improve Well Street to Erbach Park. The slope of the road was causing water to run down the middle of the road and the granite was continually washing onto the grass. 24 loads of blacktop millings (at \$8/ton) was dumped onto the street and we contracted with the Town of Johnson to shape the road and compact the millings. This repair turned out well and should be good for several years.

In addition to these projects, there were over 20 locations that needed minor maintenance (blacktop patches and curb and gutter replacement). A large amount of these were due to water main breaks and water lateral repairs.

The local ATV club, ABR Riders, sent a letter to the Village requesting that the hours of operation for ATV/UTV be changed to 24 hours instead of the current daylight hours only. The committee reviewed the request and decided to change the hours of operation to 5am to 10pm. One of the reasons to change the hours was because of the wide change of daylight hours during the year.

### **PUBLIC PROPERTY COMMITTEE**

Last year at this time you were introduced to Michelle and Aaron Doll who had taken over management of the Community Hall Bowling alley. They have done an admirable job of adapting to the old building and its inherent problems. They endured a water line freeze up that ruptured resulting in a flood of the bar area, an ice machine failure, an electrical glitch which defrosted their frozen food freezer and the usual pinsetter problems. A food prep area was constructed for creating home made pizzas. As they worked to build up their bowling business, they also expanded their family which now includes a new son.

The window replacement project got shelved again due to circumstances beyond our control. Those budgeted funds will be carried over into 2020. There were a number of unanticipated purchases this summer. The broom attachment for the compact tractor and the original zero turn lawn mower both suffered mechanical breakdowns which would cost more to repair than the value of the equipment. Both units were replaced with new units.

Moving forward into the 2020 budget, the Community Hall windows are once again on the list. Third time's the charm, right? A major purchase will be the replacement for the white Ford pickup. A new snowblower attachment for the compact tractor is slated for a late 2020 purchase barring any major calamities with the present blower this winter. Some new heavy duty shelving for the shop is needed in order to free up some floor space. Lastly, some funds will be set aside to purchase surveillance cameras in the near future. Here are some reasons for the camera installations.

There have been instances of misuse of the yard waste dump site, the waste oil recycling site and the dumpsters reserved for the village to use for receptacle garbage from down town, the ball diamond, the parks and debris picked up by the employees. These sites have become dumping

grounds for tires, televisions, toxins, furniture, and building materials. The village is in the process of creating a user friendly yard and garden waste site. A solid road and turn around area is being planned so soggy conditions won't dampen your ability to access the dumping region. All we ask is that you heed the signage and leave only organic material behind. Anyone with ideas to improve the site are welcome to call the Public Property chairman at 715-257-9922 or the village office.

Snowfall, combined with the snow plowed from roadways, often bury fire hydrants under a large amount of snow, thus making them difficult to find and use. Should there be a fire nearby, precious time is lost as firefighters work to locate hydrants and shovel snow away before hoses can be hooked up to them. In the situation of a fire, time is critical and every second counts. The extra minutes that a firefighter spends digging out a hydrant can make a big difference in how quickly a fire can be extinguished and the damage to be limited.

Please consider helping the Fire Department by clearing the snow away from hydrants located near you!
