

Street Meeting Minutes from 5/14/2020

Meeting called to order at 6:40 pm . Attending were Randy , Chris , Chuck , Tami , ^{Jessica} and Al Belter .

1. Mueller Street project . Randy handed out a map showing the location of the project along with several points of interest for committee to be aware of . They are storm sewer on west end , Well street entrance curb , street is wider than east block which will stay as it is now , sidewalks on south side all are in good condition , driveway approaches will need to be replaced , Village will dig test holes to see what base is under road , detour options during Construction . Chuck brought up about the possibility of posting weight limits and if the county Highway Dept . would know what the subbase is , Randy will call county to check on subbase . MTS Engineers has quoted the cost of engineering for the project on a time and material basis , Their projected cost is \$ 16960.00 . Motion by Chris with second by Tami to accept MTS proposal for \$ 16960.00 , Motion passed 3-0 .
2. Street patches . There are several locations that need patches from water breaks and some bad spots , possible five locations , Motion by Chris with second by Tami to bid out street patches On a separate price for each location to see how far our budget will allow . Motion passed 3-0.
3. Curb and Gutter . There are a couple catch basins that need attention along with one driveway Approach that was in our budget to replace , the village workers will repair the catch basins and The driveway approach may be on hold pending the results of our other bids for street repairs .
4. Crack sealing . Randy provided a list of potential streets that need crack sealing . There are a total of 21 ½ blocks , motion by Chris with second by Tami to bid out crack sealing per list provided , motion passed 3-0 .
5. Wheel Tax . Randy has researched the possibility of the village adding a wheel tax for revenue For the village to keep their streets in better condition , estimated income for the village could Possibly be \$ 15000.00 per year . Discussion followed with little interest by some committee Members to proceed with this proposal .
6. Schlegel Street . The latest proposal from the Athens School district was handed out to keep the new committee members updated . No action was taken at this time .
